

Shadow Unicorn

Verse 1

It all started when i fell  
For Sour Candy Witch's trap  
I fell into a magic portal  
With no way to get back  
I found myself in Candy Land  
A magic place so sweet and grand  
But I'm scared! Get me outta here!  
There are giant gummy bears!

Chorus

I'm the Shadow Unicorn lost in a far away land  
Just want to find my way back home  
Won't you give me a hand?

Verse 2

A wise marshmallow told me  
The way back home  
Seven keys I need to find  
To reach my goal  
First was in the witch's house  
Second with the Pie Mouse  
Third was in the candy clock  
Fourth in a gummy monster's sock  
Fifth in the Ocean of Blue Goo Jellyfish  
Sixth in a rainbow pudding dish  
Seventh was in the Sour Candy Witch...  
...And she BARFED!  
Then I went under the rainbow and got home.

Chorus

I'm the Shadow Unicorn lost in a far away land  
Now I've found my way back home  
Thanks for giving me a hand!
